

A TRADITIONAL STYLE

The range of traditional doors are designed to replicate the most popular timber doors and come with highly defined mouldings and realistic wood-grain embossing on the surface. Whether used in a Victorian home, a modern townhouse or a farmhouse cottage, these doors always add to the appearance of the entrance.

These doors are transformed by the choice of decorative glass and colours, we have a fantastic colour range and a huge range of glass options, from the simple diamonds of Classic, through to the stunning multi-faceted bevelling and black chrome coming of Reflections, these doors can make a real statement.
